To whom it may concern:

This letter serves as official notice that TransMotion Medical, a Division of Winco Mfg., LLC, has discontinued sales and manufacturing of the TMM6 Power Drive Stretcher-Chair. The chair was introduced in June of 2011 and was last sold in March of 2015.

Winco Mfg., LLC has a standard support policy for all current and discontinued products under Government or Private Contracts. All contracted products will be supported for a minimum of 5 and up to 7 years from the last date of production and commercial sale noted above.

Support includes warranty obligations, availability of parts, hardware and upholstered parts in order to allow the user to maintain that product's functionality to minimum operational specifications or better. While Winco makes every effort to have sufficient service stock at the time of retirement, third party electronic elements if applicable, (Drive motors, control boards, actuators, etc.,) of any product will be maintained on a best-effort basis during the post production support period.

For specific details on your warranty period and coverage, please contact our TMM Service department. You may also refer to our website for a copy of our warranty statement.

TransMotion Medical will cease to provide all support for this chair as of March 2022, Seven (7) years after the last date of sale. We sincerely appreciate your support of our products and apologize in advance for any inconvenience you might experience.

Regards,

Tom Lorick

President

TransMotion Medical, a Division of Winco Mfg., LLC
